

Research Seminar in Honor of Professor Ivar Reinvang

June 10th 2014, 12.15-16.00

Forskningsveien 3A, Harald Schjelderups Hus,
Forsamlingssalen

Professor Ivar Reinvang is a highly acknowledged researcher in clinical neuropsychology, as well as basic research within the field of brain and cognition. In honor of his 70th anniversary, a special issue of the Scandinavian Journal of Psychology is released and a seminar with presentations by some of Ivar Reinvang's colleagues and distinguished researchers in cognitive neuroscience is held.
